BREAKOUT SESSIONS

Academic Advising

Davis College

Learn how Academic Advising supports JU students by discussing their options for academic planning and enhancing their programs of study.

Athletics – Student Support

Davis College

This session will outline the key support programs and personnel for student-athletes. FAQs and Q&A will be featured.

Counseling Center 101

Davis College

Hear tips from the Counseling Center on how to adjust and support your student as they transition from their home environment to college life for the first time.

Disability Support Services

Davis College

Learn how your student can access support services.

Dolphin Culinary Group, Making The Most of Your Meal Plan

Davis College

Come meet the Dolphin Culinary Group and learn how your student can make the most of their meal plan, flex dollars, and meal exchange!

Getting Your Student Involved

Davis College

It's important for your student to be immersed at JU. Learn how to help them do so!

Honors Program

Davis College

Join our University Honors Program Executive Director to learn more about your student's best-in-class honors experience, the honors community, and exciting developments ahead.

How To Support Your First Wave Student

Davis College

Join us to learn what resources JU offers to support your first-generation student and how you can help your student.

"Not My Kid!"

Davis College

Learn how you can partner with the Dean of Students Office and hear more about the Code of Conduct, Title IX, and how to make sure it's "not your kid".

JU's Center for Gender + Sexuality and Your Student

Davis College

An overview of JU's Center for Gender + Sexuality: academic, social, and cultural resources for your student.

On-Campus Student Employment

Davis College

Learn about how JU is enhancing on-campus Student employment to improve not only employability skills but student experience and success.

Student Health Center Services

Davis College

Learn about the health services offered to JU students.

Supporting Your Student's Future Career

Davis College

Learn about Career Management's services, programs, career events, and how to help your student prepare for their dream job.

Understanding Student Financial Services

Davis College

Join us to learn how your student's academic performance impacts their financial aid, and how you can help ensure your student is prepared to succeed throughout their first year on campus.

Using Military Benefits

Davis College

This info session will provide an opportunity for parents to ask questions about utilizing military benefits.

Welcome to the PhinFam: Current Parent Panel

Davis College

Join a group of current JU parents for a panel discussion about supporting your student from afar throughout their first year and beyond!

What is a Thrive Coach & Why Does My Student Have One?

Davis College

Your student has a Thrive Coach! Come learn what this means and how they are going to help your student through this first year on campus.
