CLINICAL SUPERVISION

MHC 603: CMHC Practicum /Winter Break 2021

This course provides supervised counseling experience in a college or community agency under a regularly employed staff member professionally trained in counseling. Observation of and active participation in direct service work to clients, monitoring of audio or videotaped interviews, and case reviews are all covered within the course.

Provided clinical supervision to eleven master's level practicum students using principles of Bernard's Discrimination Model and Cognitive Behavioral supervision during Spring 2018, Summer 2019, Fall 2019 and Spring 2020, and Spring 2021 semesters.
