

Clinical Mental Health Counseling Practicum and Internship Directory 2024-2025

The background of the slide features a vertical strip on the left side with a teal and dark green marbled pattern. The rest of the slide is white.

About the Practicum and Internship Directory

The Practicum and Internship directory serves as a comprehensive resource for students and community stakeholders seeking information on the clinical affiliations available through the Jacksonville University CMHC program. Updated annually, the directory ensures that students and stakeholders have access to the latest information. If you are interested in becoming a clinical site, please reach out to the clinical directors for further details.

Overview of the Clinical Experience

- Fall: Practicum Hours requirement 100 hours over 15 weeks (minimum 40 direct; 60 indirect)
Approximately 12-15 hours on site per week
- Spring: Internship 1 Hours requirement: 300 hours over 15 weeks (minimum 120 direct; 180 indirect)
Approximately 22 hours on site per week
- Summer: Internship 2 Hours requirement: 300 hours over 12 weeks (minimum 120 direct; 180 indirect) Approximately 20-22 hours on site per week
- **Total over 3 semesters: 700 hours (minimum 280 direct & 420 indirect hours)**

Supervision Requirements

- The site supervisor will be expected to provide at least one hour of individual supervision a week, throughout the clinical experience.
- Students may participate in group supervision with 3 or more interns.
- Students are expected to participate in weekly 3-hour group supervision through the practicum and internship courses.

Site Supervisor Requirements

The supervisor must meet the requirements per 2016 CACREP Standards (Section 3: Professional Practice-Supervisor Qualifications P & Q) “Site supervisors have (1) a minimum of a master’s degree, preferably in counseling, or a related profession; (2) relevant certifications and/or licenses; (3) a minimum of two years of pertinent professional experience in the specialty area in which the student is enrolled; (4) knowledge of the program’s expectations, requirements, and evaluation procedures for students; and (5) relevant training in counseling supervision.
